## *SCHOOL ANTHEM*

Praised be forever Jesus and Mary  
O hymn of triumph, glorious hymn  
Urging us in paths of duty  
Lifting us beyond the skies  
Where God dwells and ever loves us  
God loves us, heaven is the prize!

O thorny crown of deep and ruddy hue  
O wreath of fairest lilies purest white  
Enclosing names that men and angels love  
And shedding rays of wondrous heavenly light  
Device of union, strength, and glory  
Close-binding hearts that beat in one great cause  
Lead on, we follow, wherever you may call us  
Our mighty chant to heaven and victory soars.

Praised be forever Jesus and Mary...
