Archbishop Antoine BOU NAJEM

“Peace requires development and education” (Pope Francis).

Now more than ever, it is crucial to highlight the vital role of Catholic schools and their missions. Our primary responsibility lies in providing a comprehensive education that nurtures the complete development of the child – socially, emotionally, spiritually, physically, and culturally. Our aim is to prepare students for life, not merely for work. By doing so, our schools serve both the faithful community and society at large. We educate our students to become active and compassionate members of their community and nation, contributing to the common good.

In addition to teaching fundamental subjects, it is essential that we extend our educational efforts beyond the classroom. We must educate our students about peace, capturing the essence of sustainable peace and how to achieve it. This entails fostering critical thinking, reflection, and analysis of the conditions necessary for peace. As future leaders, our students need to embrace the beautiful diversity of our beloved country, Lebanon, and promote a message of peace for the Mediterranean countries. Rather than allowing differences to divide us, we should view them as a source of richness and educate our youth on mutual respect and living together peacefully.

As Catholic schools, we also prioritize the cultivation of ethical principles that are form the foundation of the external actions towards peace. In other words, peace education aims at instilling attitudes that are vital for positive change.

The manner in which we teach has a profound impact on the learning outcomes and character development of our students. Education itself is a path to peace, since integral human development is inseparable from education.

Love is the ultimate aspect of education—it breathes life into its different dimensions and moves us away from selfishness. Through this act of love, we must transmit to our students a culture of dialogue and enable them to learn the art of meeting, seeking common ground, building bridges, and working together for the collective good.

Education is also an act of hope. It serves as a catalyst for breaking the cycle of disbelief and narrow-mindedness that undermines human dignity. Today, one of the greatest challenges facing education is the erosion of humanism caused by individualism and indifference.

Guided by the vision of Jesus & Mary School, we will continue to strive hand in hand towards building role models who advocate justice and peace based on equality, responsibility, and solidarity.

Fr. Moussa HELOU
Rector of Jesus & Mary School

« ... Et moi, je suis avec vous tous les jours, jusqu'à la fin du monde. » Matthieu 28 : 20.

Encore une fois la présence de notre Seigneur Jésus Christ à nos côtés s'est fait sentir.

Encore une fois nous avons touché du doigt qu'Il est l'Emmanuel, Dieu avec nous, et que son amour ne connaît pas de limites.

Merci Seigneur parce que Tu te tiens aux commandes de notre barque, et que Tu veilles sur chacun de nous, élèves, parents, profs, employés...

Merci parce qu'avec Toi nous ne manquons de rien, même si les temps sont difficiles.

Merci parce que Tu nous arraches à la peur, et au désespoir, et que Tu nous enrichis d'une espérance infaillible.

Accorde-nous de Te rester fidèles, sans faillir à notre tour.

Amen.

ADMINISTRATION

Fr. Marwan MOUAWAD
Vice Rector

في ظل الأزمات المتعددة التي نعيشها في بلدنا والآفاق شبه المسدودة في المجتمع: لا كهرباء، لا ماء، لا دواء، الرغبة مهّد ... وفي ظل اسئلة كثيرة نطرحها اليوم على الصعيدين الشخصي والجماعي، في السر والعلن، والتي تتناول وجودنا: ماذا عن الغد؟ هل سينخفض سعر صرف الدولار أم سيرتفع؟ هل سنستطيع أن نملاً سياراتنا بمادة الوقود؟ كم سيبليغ سعر الصحيفة؟ إلخ. أسئلة تهدّد كياناتنا وإنسانيتنا وتخلق فينا الخوف من المجهول. أمام هذا التهديد الكياني والوجودي نتساءل: هل للتربية ساحة تقول فيها كلمتها خارج الساحات المتصارعة؟ وما هي هذه الكلمة؟ هل لها مفعولٌ يساهم بإزالة الخوف من نفوسنا ويعمل على زرع الطمأنينة وفتح فجوة في الأفق المسدود؟

أمام هذا الواقع المأزوم، تؤكّد الكنيسة على أهميّة دور التربية ومحوريّتها في تنشئة الإنسان، كلّ الإنسان، في مواجهة الأزمات التي يعيشها، من خلال محاولة إيجاد أجوبة على تساؤلات عدّة. فالتربية هي مسيرة نموّ تساعد على تطوير الفرد تطويراً اجتماعياً ومعرفياً وإيمانياً متكاملًا. من هنا يأتي دور المدرسة كوسيلة فعّالة للتربية الشاملة، الأخلاقية والاجتماعية والإيمانية والمعرفية، لتطوير العقل ونموّ الإيمان في خدمة المجتمع. في هذا السياق، يشدّد البابا فرنسيس على أهميّة دور المدرسة في نقل البشارة بالإنجيل من خلال ثلاث ركائز: أولاً: نشر الثقافة لمواجهة الفردانية وبناء عالم أكثر سلامًا، ثانيًا: تعزيز ثقافة الحوار من أجل البحث عن الحقيقة من خلال الإصغاء وقبول الآخر وتشجيع التنوّع الديني والثقافي، وأخيرًا إسهام التربية في زرع الرجاء الذي يعطي معنًى ساميًا للحياة، من خلال تعزيزه لرؤية ديناميكية، تربط حياة الإنسان بالقيم الروحية والإنسانية العليا. فمجتمعنا اليوم بأمرّ الحاجة إلى هذه الركائز الثلاث التي تشجع الفرد على مواجهة الإحباط والخوف من المستقبل المجهول، لأنّ الثقافة مصدر إلهام لعيش الخبر والقيم الإنسانية والروحية، والحوار وسيلة للالتقاء مع الآخر المختلف، والرجاء لا يُخَيِّب بل يبشّر بغدٍ أفضل مبنيّ على حضور الله الخلاصيّ في تاريخ الإنسان.

لذلك تجد التربية في كلمة الله المرجع الأساس لاكتشاف الخير الأشمل والجمال الأسنى، إذ تسعى لخلق بيئة متميّزة يتم فيها تلقّي التعليم المسيحيّ كأولويّة في مسيرة التلميذ، لتجعل منه إنساناً مؤمناً، يعتمد على المسيح لمواجهة التحديات بجرأة وشجاعة.

"Have no fear of moving into the unknown. Simply step out fearlessly knowing that I am with you in complete faith and confidence." ~ Pope St John Paul II

Being a teacher is not for the faint of heart. A teacher has to play a myriad of roles since the kids do not just leave their personal lives and anxieties at the classroom door.

A teacher is a listener to students' worries, needs, and anxieties.

A teacher is a helper for the students who struggle with their academics or personal life.

A teacher is a beacon for the students who seek knowledge and culture.

A teacher is a life-long learner who is always looking for the newest and most advanced ways to help the students shine fulfill their dreams.

A teacher ENCOURAGES minds to THINK, hands to CREATE, and hearts to LOVE.

Parents Association

Dear JM family,

As another school year ends, on behalf of the Parents Association (PA), I would like to thank you parents, teachers, staff, and administration for your continued support over the past year.

The PA at Jesus & Mary school is the collective voice of parents who strive to work collaboratively with the school to ensure the best possible outcomes for all students. The PA plays an important role in building bridges between home and school as we are committed to ensuring a clear and efficient communication channel between parents and the school administration.

Since our election in 2021, the PA has been positively involved in various school events such as the back-to-school event in the EI Division, the 2022 Christmas and Easter campus parade, the Hat competition in the EII Division, the Teachers' Day brunch, as well as our annual uniform drive program. This year, the PA was happy to launch an exciting new event, a first for the JM PA, and as president of the PA, I was honored to be part of the first Sports Day which took place on May 20, 2023. We hope that it will hopefully become an annual tradition bringing the whole school together to foster sports values and well-being. We believe that by competing in sports, students learn to cope with winning and losing gracefully, which prepares them for future life challenges. Students competed in three different sports: Futsal, Badminton, and Basketball with the renowned Rosaire Sports Club and the Champville Futsal Team. This provided an excellent platform for our students to showcase their athletic abilities and sportsmanship in a fun environment while promoting teamwork and collaboration. The event helped students develop essential life skills such as teamwork, leadership, communication, confidence, discipline, perseverance, and problem-solving qualities that are vital in all aspects of life beyond the sports field. Parents also had the chance to participate in the event and played consecutive Badminton games, side by side with their children, encouraging healthy competition between them, helping them build confidence and self-esteem, and preparing them for future challenges in life. We thank the JM family, teachers, staff, parents, and administration for their continued support and for allowing this event to be a huge success!

As part of our social initiatives, we will also be launching this year a book exchange platform. A page where parents can upload the books they have and wish to sell/exchange and will be connected, through the page, to other JM parents facilitating the process at the beginning of the school year.

As president of the PA, I am committed to sharing the warmth and friendship of the JM family with you this year and will be sharing opportunities throughout the year-- whether you have a little time or a lot, there is something for everyone. Whether it is meeting for coffee, or participating in school events, I would like to connect with you dear parents to provide connection, security, and support to all our families during these uncommon times. Please reach out to us at info.parents@jmrb.edu.lb.

God bless you all!

A Journey Through Pictures

A year in your children's school life has passed. A year full of memories and beautiful moments has surely marked their growth.

A wide range of emotions are portrayed on their faces as they discover the enormity of the world around them. Expressions of surprise, excitement, and happiness are clear on their looks.

Pictures capture smiles, giggles, laughter, and tears. However, their skills are ever growing and cannot be contained in mere snapshots.

With every new adventure, a new promise is fulfilled and a new journey awaits!

My Dear Students,

As the school year comes to an end, I want to remind you of the incredible potential that lies within each and every one of you. Buckminster Fuller once said, "There is nothing in a caterpillar that tells you it's going to be a butterfly." Just like a caterpillar, you are in a stage of growth and transformation. You are discovering who you are, what you enjoy, and where your passions lie. Your experiences at this young age will shape who you become in the future.

You have accomplished so much this year. You have learned to read and write, gained confidence in your abilities, and worked collaboratively with your classmates. You have also grown emotionally and socially, learning how to express yourselves, share your feelings, and communicate

effectively with others.

Remember, it's not just about academic growth. Your emotional and social growth is just as important. These skills will help you form healthy relationships and navigate the unpleasant surprises of the world around you.

As you move forward to the next grade, I want you to remember that there is nothing you can't achieve if you set your mind to it. You have the potential to become anything you want to be.

As you continue your educational journey, embrace all the opportunities that come your way. Take risks, try new things, and never give up on your dreams. With hard work, determination, and a positive attitude, you can achieve anything you set your mind to.

I am proud of each one of you and look forward to seeing all the amazing things you will accomplish in the future.

School: Challenging, but fun!

"The roots of education are bitter, but the fruit is sweet." ~ Aristotle

School is a huge part of our lives!

It is not easy,
and it is certainly not comfortable,
yet it is challenging and somehow "fun"!

Challenge leads to growth, and our achievements become greater when this challenge is mixed with fun!

School is a maze filled with contradictions; it is a place where learners should work seriously while enjoying every moment of their educational journey.

It is a place where pupils have to be and like to be although they are often anxious.

In short, school is a path that leads to the real way of living!

With the Lord on their side, our beloved students will surely leave behind good prints and will fear nothing!

As we embark on our post-pandemic journey, trying to bring back things to the way they were, it is essential to embrace the fact that things will never go back to the way they used to be. We need to accept that things have changed, and that we have changed. Though change is hard, it is not necessarily bad. On the contrary, it is inevitable for our evolution and growth.

The first step to adjustment is setting new goals, goals that are realistic and accessible. In order to achieve these goals, we need to keep an open mind, one that is ready to admit failure, one that knows when to ask for help, and when to listen to advice or criticism, one that perseveres and is ready to start all over again, and one that will rejoice in success. The

keys to perseverance are patience, focus, and making sure the target is always in sight, no matter the distractions or interferences.

Last but not least, the most fundamental ingredient to ensuring a successful embarking on this new journey is trusting and knowing that with the Lord on our side, we are ready to face anything!

The Best Years of Your Lives!

You step into the Secondary Division, and suddenly, something within you is sparked off: a kind of maturity sets in, study habits change, interests become clearer, and a path starts to be drawn....

All this reflects seriousness ... Yes, but....

You step into the Secondary Division, and suddenly, something new is kindled: new doors open, new subject matters are offered, different directions are proposed, creativity is activated....

In a couple of words, dear student, you set the atmosphere and the tone for those three last years!

You are the Master of the Game!

You mold, shape, and color those three years to your own taste.

You step into the Secondary Division, and suddenly, the smile becomes your mantra!

Principal

Permettez-moi chers amis de prononcer mon discours en français.

Pourquoi en français ? Eh bien, d'abord parce que le slogan de notre promo est en français, « À l'encre de nos rêves » ; et puis parce que qui dit français, dit élégance, art, culture, poésie, influence, et j'en passe. Et enfin, qui dit français, dit aussi langue fascinante, sentimentale et qui a beaucoup de charme.

Quant à cette promo, elle est, tout comme la langue de Molière : pleine de charme, élégante, et attachante par son rayonnement, son influence, son emprise positive et émotionnelle sur chacun de nous, et sur moi en particulier.

Monseigneur Bou Najem,
Révérend Père Recteur,
Chers Pères,
Chères Sœurs,
Chers collègues et amis,
Chers invités,
Chers parents,
Chers fils et filles,

Ces 81 hommes et femmes, que vous voyez devant vous, vont prendre leur envol ce soir vers de nouveaux horizons, ce qui déclenche tout au fond de moi des sentiments mitigés, et même contradictoires.

Oui, je suis fière de chacun d'eux ; oui, je suis contente de leur parcours et de leur cheminement ; oui, leur évolution est énorme ; oui, ils ont bravé les obstacles et les tempêtes ; oui, ils méritent d'être ici maintenant.

Mais non, je ne veux pas les voir partir car je n'ai pas eu assez de chacun ; non, une année n'a certainement pas assouvi ma faim. C'est de l'avidité vous me direz ; mais, chers papas et chères mamans, vous en voyez un ou au plus deux cette année sortir du cocon familial ; moi, j'en ai 81 que je devrais voir s'envoler ! Et non ! Je ne le veux pas !

Et pourtant je n'ai pas le choix ! C'est pour cela que j'ai un mot à dire à chacun de vous : parents, profs, et élèves.

Chers parents, certains de vos enfants vont quitter le pays cette année, d'autres vont quitter la maison familiale et louer un studio pour être plus proche de l'université. Avant qu'ils ne bouclent leurs

valises, qu'elles soient grandes ou petites, 'vaporiser' un peu de votre parfum sur leurs vêtements, et glissez des mots doux, des je t'aime dans leurs poches, et dans les recoins de leurs bagages.

Chers professeurs, voici le fruit de votre travail ! Soyez-en fiers ! Votre effort et votre amour pour chacun de nos élèves, en ont fait des merveilles, des bijoux qui brilleront au-delà de cet établissement.

Chers fils et chères filles, l'école n'est pas toujours un passage joyeux, l'école n'est pas non plus un passage facile pour beaucoup d'entre vous, mais, l'école est bel et bien un passage obligé. J'ai essayé, personnellement, de rendre le trajet aussi harmonieux et paisible que possible. Il est vrai que quelques-uns parmi vous ont vécu ce passage comme un calvaire, mais soyez sûrs que ce calvaire a fait ressortir des perles, tout comme le grain de sable qui se faufile entre les deux parties de l'huître et qui en ressort une perle unique qui ne ressemble à aucune autre.

Chers élèves, c'est votre jour de gloire aujourd'hui, personne ne peut vous enlever cette joie ! Personne ne peut vous ôter ce sentiment de réussite ; vous avez réussi ! Certes ! Vous êtes au sommet !

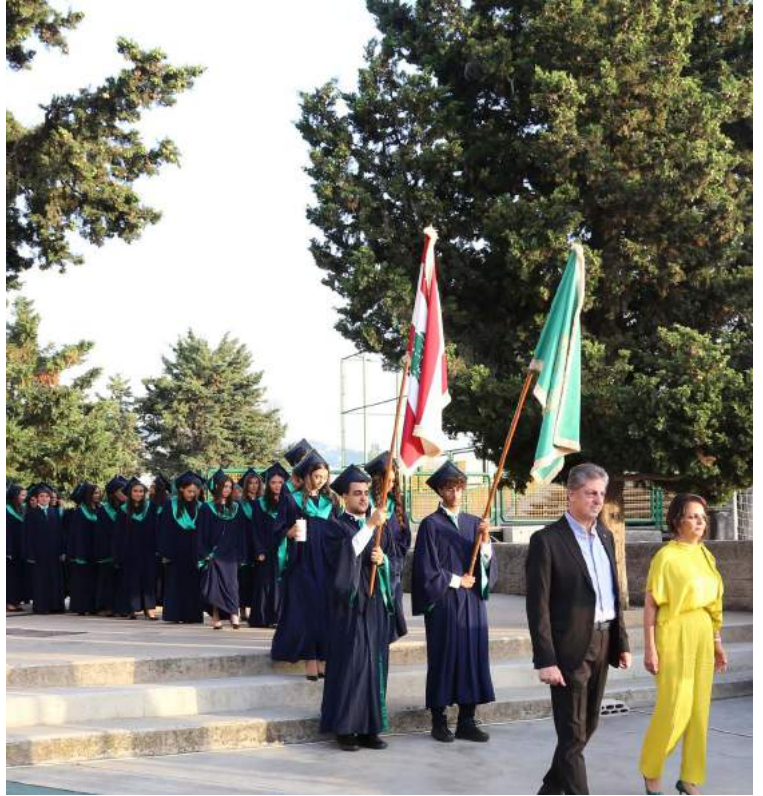

Mais, n'oubliez-pas de vous lever de bonne heure chaque matin pour profiter des premiers rayons de soleil, n'oubliez pas de rendre grâce à Dieu, n'oubliez pas de sourire, n'oubliez pas que vous êtes à présent les responsables de l'avenir de notre pays, n'oubliez pas votre école, et surtout, n'oubliez pas de passer quelques bonnes minutes avec vos parents, de leur tenir la main et de les embrasser.

Chers élèves, nous, parents, sommes vulnérables, et c'est de vous que nous puisons nos forces.
Restez comme vous êtes !
Mes enfants, je vous aime !
