GROUPE JESUS AND MARY

Notre festival de fin d'année est là!

Un festival est un temps de fête. Et qui saura faire la fête mieux que les jeunes, engagés, organisés, et pleins de vie ? D'où le choix de faire confiance à nos Scouts et Guides, Groupe Jesus & Mary, habités par la foi, et très dynamiques.

Je leur souhaite toute la réussite escomptée, et je vous souhaite, chers lecteurs, un temps de fête mémorable.

P. Moussa HELOU

Recteur

As remarkable as it has always been, Fingerprints '24 symbolizes the unique impact each one of us has on our community.

This year, the Scouts of Jesus & Mary will bring their vibrant spirit to unite friends, families, students, and teachers as one, celebrating all achievements, hard work, and successes throughout the year.

I extend my genuine appreciation to all our members and to everyone who has supported us, guaranteeing the success of this event.

Thank you for being part of it.  
Let us make it unforgettable!

Samer Bou Onk  
Chef de Groupe Jesus & Mary

"The main question of life is not what we gain, but what we give." ~ Lord Baden Powell

Growing up in the Scouts movement has nurtured our development of a fundamental love for our school and amplified our sense of belonging and duty to our community.

JM Fingerprints has always been at the heart of our experience, a celebration of our favorite memories. Along with the privilege to be part of something bigger than ourselves, we aim to embody our learnings through acts of service in the place we call home.

Here's to our fellow members and leaders of the Scouts and Guides of Groupe Jesus & Mary.  
A special thank you to our JM family for continuing to be our home and allowing us to take part in something we love.

Michelle Fatrous  
Cheftaine de Groupe Jesus & Mary

Let us make it happen!

Prepare yourself for something extraordinary! Fingerprints is finally set to make a triumphant return, and we extend a cordial invitation for you to partake in the festivities at our beloved Scouts Village! The anticipation surrounding this event has been palpable, and we are honored to have the chance to revive the cherished tradition of school gatherings. In an era where unity and communal spirit hold heightened significance, let us unite in celebration and shape enduring memories together.

On the Elementary II playground, you will find all kinds of food that you could think about. We have everything you need to turn your hunger around.

After enjoying a rich, tasty meal with your loved ones, we surely won't fail to always entertain you. From scheduled entertainment shows to creative competitions, you won't have a minute to rest!

In the Secondary playground, you'll find the exciting Scouts Village! Remember to play all the games our hard-working scouts have designed. A lot of unique prizes await at our gift shop!

Finally, have no fear to run, slide, and hide at our soap soccer and laser tag activities that you will never forget.

We promise you this year is like no other, and we'll provide you with an extraordinary picture to capture your memories with your friends and families.

We thus encourage you to clear your schedules, assemble your nearest and dearest, and grace us with your presence for three days of unending fun at JM Fingerprints 2024.

Together, let us script a comeback that is worthy of acclaim and remembrance!

Groupe Jesus & Mary

KG3 C: Antoni Gaudi – Art Nouveau (Neo-Gothic)

KG3 D: Amedeo Modigliani – Figurative art and Cubism

KG3 E: Pablo Picasso – Cubism

Christian Education: Learn to Love like Jesus

## The Little Prince...with a Twist

This year marks the 80th anniversary of “The little Prince”. On this occasion, we decided to celebrate this event and introduce the Grade 2 students to one of the most renowned books in the world of literature. In our play, The Little Prince visited Lebanon and had a tour in downtown Beirut, then continued towards Byblos, and ended his trip by visiting the Cedars of God. During his trip, the Little Prince was introduced to the Lebanese culture and traditions.

### The making of....

### Little Harvesters

The harvest of a year's work will be exhibited in the EI indoor playground. The students' artwork, mostly prepared from recycled items, will have a big part of the exhibition. Another part will display the work students did in the library throughout the year.

As for the projects in English, French, Arabic, Math, and science, they are all related to topics that have been discussed in class during the year whether in writing, reading, or other skills.

### The Story of a King

The Story of a King is a captivating presentation performed by elementary II students. Through a blend of dancing, acting, and singing, the audience is transported back to the old days, experiencing the classic wars and daily life of a king's era. It is a journey through history brought to life on stage by enthusiastic young performers.

### En Route Vers L'aventure Olympique Au EII !

Les élèves du Primaire 2 (EII) ont bien serré leurs ceintures pour s'embarquer dans l'aventure des Jeux Olympiques !

Tous les profs de différentes disciplines se sont penchés sur ce sujet qui est riche en histoire et informations afin de communiquer aux élèves des valeurs de vie !

"Plus vite, plus haut, plus fort", telle est la devise de ce grand évènement sportif et telle est notre recommandation à nos élèves qui terminent cette année scolaire en beauté !

## Hollywood Flashback

Hollywood Flashback is an electrifying dance performance of the Intermediate Dance Club, instructed by their dance teacher, Ms. Jennifer Antoun, showcasing iconic Hollywood movie dances from yesteryears. With a diverse range of dance styles and mesmerizing moves, students will set the stage ablaze with a show that promises to be unforgettable. It is a nostalgic journey through the glitz and glamour of classic Hollywood brought to life through the art of dance.

Musical talents from the Intermediate Division will be performing songs and instrumental pieces from different genres, in the enchanting show Musical Harmony, coached by the music teacher, Mr. Charbel Abi Nader. Singers and instrumentalists can't wait to share these musical confetti with you on stage!

### DJ SØLAN

Do not miss SØLAN, a Grade 9 DJ & music producer, who expresses himself through house music & techno with a small commercial touch.

### Spectrum of Creativity

Make sure you pass by the Intermediate Assembly Hall to check out Spectrum of Creativity, which exhibits all the exceptional projects done by our students this year!

Finally, an innovative and one-of-a-kind Robotics competition will take place in the Intermediate Main Hall. It is worth your time to witness it!

## Talent Cheers

Get ready for the 9th Annual Talent Cheers!

This year, it is all about student excellence! Join us for a spectacular showcase of musical talent, organized and performed by the Secondary students! Let us come together and celebrate the power of music!

### TOK – IBDP

As part of the International Baccalaureate Program, the 2024 Theory of Knowledge (TOK) Exhibition will be taking place in the Secondary Division. Diving into a world of critical thinking and exploration, the Secondary students will bring TOK to life, displaying the power of questioning and creativity across disciplines.

## ART Club

Get ready for an amazing art exhibition during Fingerprints! It is a fully student-led initiative!

Celebrate creativity with our talented Secondary students' incredible work.

Don't miss it!

"Have no fear of moving into the unknown. Simply step out fearlessly knowing that that I am with you in complete faith and confidence." ~ Pope St John Paul II

Being a teacher is not for the faint of heart. A teacher has to play a myriad of roles since the kids do not just leave their personal lives and anxieties at the classroom door.

A teacher is a listener to students' worries, needs, and anxieties.

A teacher is a helper for the students who struggle with their academics or personal life. A teacher is a beacon for the students who seek knowledge and culture.

A teacher is a life-long learner who is always looking for the newest and most advanced ways to help the students shine fulfill their dreams.

A teacher ENCOURAGES minds to THINK, hands to CREATE, and hearts to LOVE.

Sandra Yazbec  
Teachers Association

The Fingerprints festival marks the culmination of the school year, a vibrant celebration of achievements, creativity, and community spirit. At the heart of this event lies the invaluable contribution of the Parents Association (PA). This year, the PA collaboration takes new dimensions as it joins forces with the school to reinforce the Robotics program.

Through generous provision of Mbots2, supporting kits, maps, Arduinos and Microbits, the PA ensures that students have the tools needed to propel the program to greater heights in the coming year. Additionally, the PA sponsorship of the Robotics competition at Fingerprints, complete with valuable prizes, serves as a testament to their commitment to nurturing innovation and excellence among our students.

We believe that the PA commitment to enhancing the Fingerprints 2024 embodies our hope for a future where innovation flourishes, talents are nurtured, and every student can shine brightly.

Looking forward to more and more success.

Christine Noufaily  
Parents Association

To all members of the JM Community,  
As Board of the Alumni Association of Jesus & Mary School, we proudly support our alma mater and cherish the theme Learn to love, love to learn. Our school shaped us in many aspects, and we stay connected to the school by supporting current students and celebrating achievements. Together, let us continue to make a positive impact and leave a lasting legacy.

Elias El Murr
