SCHOOL ANTHEM

Praised be forever Jesus and Mary
O hymn of triumph, glorious hymn
Urging us in paths of duty
Lifting us beyond the skies
Where God dwells and ever loves us
God loves us, heaven is the prize!

O thorny crown of deep and ruddy hue
O wreath of fairest lilies purest white
Enclosing names that men and angels love
And shedding rays of wondrous heavenly light
Device of union, strength, and glory
Close-binding hearts that beat in one great cause
Lead on, we follow, wherever you may call us
Our mighty chant to heaven and victory soars.

Praised be forever Jesus and Mary...
